760 Bardin Road  
(On the corner of Robinson Rd, South of  
I-20 and West of Carrier Parkway)  
Grand Prairie, Texas 75052  
Tel: 972-237-5772

#### **PURPLE MARTINS**

This month our 1st Vice-President Carol Leach has put together a great Purple Martin program. She wants to make sure that Purple Martin landlords will be successful in attracting and maintaining our wonderful Purple Martin birds at their colony set-ups. This is a very timely lecture. In north Texas many of us already welcomed our very first Purple Martins in February. Now you can catch up on the, Do and Don't or suggestions for a good PM colony set up. We will address any important Purple Martin questions you might have. As always we hope you can bring a Martin landlord friend with you. Please visit our PMLNT Website: <http://purplemartinlandlordsofnorthtexas.com>

**\*\*\*The meeting is open to all interested persons\*\*\***
