Purple Martins

For our second meeting in the New Year I think it will be good to refresh our memories about being the best purple martin landlords ever. Now is the time to find out how to get ready for the arrival of our wonderful Martins and to complete any changes/improvements on your Martin housing you wanted to do for some time. Please share with us any new inventions you have been working on and bring new ideas with you to be discussed. There is always ample of time for questions and answers.

If you have notes/data on your past martin season you can bring them along as well. The new PMLNT Website is: www.purplemartinlandlordsofnorthtexas.com

THE MEETING IS OPEN TO ALL INTERESTED PERSONS
