(On the corner of Robinson Rd, South of
I-20 and West of Carrier Parkway)
Grand Prairie, Texas 75052
Tel: 972-237-5772

Purple Martins

For our 3 February meeting, it will be good to refresh our memories about being the best and caring Purple Martin landlords. As we know we always have some cold spell in February early March and we need to be prepared to help our Martins in need. After 3 or 4 days of NO available insects the Martins will start to loose weight and need attention from us. Topic: Emergency Feeding. Mealworms and Crickets is the answer. Hope you are able to come to this important meeting. There is always ample time for questions and answers.

The PMLNT Website is:
